5280 Asset Recovery is a full-service Repossession Agency located in the heart of the Denver Metro Region. We offer full-service repossession and collateral recovery services to financial and lending institutions, as well as vehicle dealerships and private parties. We offer competitive rates, and we promise to work diligently to secure your collateral faster than our competitors. 5280 Asset Recovery is Colorado's premier and fastest growing repossession and investigation company. While based in Denver, 5280 Asset Recovery operates throughout the state, as well as having sub-contractors across the country. 5280 Asset Recovery is fully bonded, licensed, insured, and CARS certified to perform a variety of services including Repossessions, Skip Tracing, Private Investigations, Secure Storage, Process Serving, and Debtor Contact. With 15 years of experience in the auto industry and an average vehicle recovery time of 1-3 days, 5280 Asset Recovery will secure your inventory faster and for better rates to both you and your customers.

We take pride and passion into our work every day. Unlike others in this line of work, we do not take a "get the easy ones" approach. We devote time and energy to safely securing and transporting your assets, specializing in harder to find units. We go above and beyond to exceed your expectations. As leading industry professionals, we are the most knowledgeable, experienced, and qualified to handle your asset recovery needs. Our team members are dependable, eager, reliable, and committed to offering exceptional service on every job—big or small; close or far.
